

## Nissan Forklift

Nissan Forklift Training Kitchener - Nissan takes immense delight in attaining total client satisfaction, when their client is experiencing one of their numerous products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to offering high value and meticulous quality values to their customers. Incorporating a prosperous heritage combined with strong production principals, Nissan Forklifts supply a few of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their diverse purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing customer support, the company has four distinct manufacturing facilities that allow them to persistently adapt to their consumers continually evolving needs by offering a variety of progressive ideas and concepts.

The Nissan Lift truck North and South American foundation is situated in Marengo, Illinois. A loyal team of 350 personnel is fully committed to the collaboration, design and manufacture of their products. Working under the ISO-9001 and ISO-14001 certifications, helps every sector of the Nissan Forklift Corporation to sustain environmental accountability by using techniques that diminish the worldwide impact of their goods and processes. These high values remind customers that Nissan operates under the quality seal that their customers command whilst being an environmentally conscious organization.

Nissan is certain that they will be capable of addressing any buyer queries or considerations. Always available through their website or by calling 800.871.LIFT, reaching one of their locally sanctioned sellers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and commitment.
